

## Commercial Script Grand Finale

**THE YEAR** :30

*TRACK: Suspenseful movie trailer music. VO: (Read in a Movie Trailer Voice)*

**In this world - the adventure you've been waiting for is... off.**

*SFX: Sting of dramatic music.*

*VO: (Normal Voice)* **Unfortunately, the world shut down for the safety of the planet. But don't let that stop you from eating out. In fact you can still order all your fav's and find ton's of adventures on our new app. Hey try using 'Someone else's' account and password. So strange, why they wouldn't just put a limit on it? Hmm.....Adventures await.... with lobster brought to you by 'Lets Eat'... And 'someone else's password'. Feed the beast within and let it ROAR!!!! 'Let's Eat'!!!**
